

BEHOLD!

This week as the newsletter goes out, our youth are at the Free Lutheran Youth Convention in Colorado. The FLY Convention is held in Estes Park, CO every two years and the theme for this year is BEHOLD. Estes Park is the entrance to Rocky Mountain National Park, so it is easy to behold some magnificent sights. The mountains are majestic, the deer and elk are graceful, and there are 1500 youth worshipping God saying, "Yes" to Jesus.

While the sights are magnificent and the worship is energetic, the goal of our time is to behold God. How do you do that? We can see what He has made. We can see where He is at work. We can read about Him in His Word, but what does it mean to behold God? What does it mean to see, know, and experience Him? Several people in the Bible saw God in real and tangible ways and we can get a glimpse of what it would look like through their eyes.

Isaiah recorded his vision of God in chapter 6. First, he heard the seraphim proclaiming "Holy, holy, holy is the LORD of hosts; the whole earth is full of His glory!" Then Isaiah said, "Woe is me! For I am lost; for I am a man of unclean lips, and I dwell in the midst of a people of unclean lips; for my eyes have seen the King, the LORD of hosts!" Then one of the seraphim flew to him with coal and touched his lips and said, "Behold, this has touched your lips; your guilt is taken away, and your sin atoned for." Then Isaiah heard the voice of the Lord saying, "Whom shall I send, and who will go for us?" Then he said, "Here I am! Send me."

When we behold God, our sin is revealed, and our guilt is exposed, but that same Lord is the one who cleanses us, pays for our sins, and calls us to serve Him. He transforms us from "people of unclean lips" to people sent to proclaim His greatness.

Moses saw God when he was on the mountain receiving the Ten Commandments. God allowed Moses to see his backside when he passed by. Exodus 34:29 says, "When Moses came down from Mount Sinai, with the two tablets of the testimony in his hand as he came down from the mountain, Moses did not know that the skin of his face shone because he had been talking with God." Moses was changed when he saw God. His face glowed and everyone could see the difference. Our faces do reflect what we look at. If we are anxious or angry, our faces reveal that emotion. The same is true if we feel God's peace or love, we reflect Him. When we spend time with the Lord, His character shines through us.

Mary Magdalene saw Jesus after the resurrection. The angels told her to go and tell the disciples. Jesus met them and said, "Greetings!" And they came up and took hold of his feet and worshiped him. Jesus said to them, "Do not be afraid; go and tell my brothers to go to Galilee, and there they will see me." Jesus defeated death and His resurrection means that we also have victory, even over death, and the anticipation of seeing Him in His glory.

The point is that when we behold the Lord, it will change us. It is not possible to be touched by Jesus and remain the same. Allowing Him into our lives has an immediate effect as well as an ongoing impact. We, as a church, exist to bring people into personal fellowship with the Lord. Our primary mission is to go and tell what we have seen.

As you read this newsletter, consider how and when you could behold the Lord and consider how you could introduce someone to Him.

SPOTLIGHT ON MINISTRY

Funeral Luncheon Support is one of the many ministries provided through Women's Ministries. When requested, our WMT provides lunch for families and friends after a funeral or memorial service. Kathy Connelly has assisted Lisa Williams in recruiting ladies and men to help with set up, serving, and clean up for many years. Recently Nancy Anderson has volunteered to also be a point person for this vital ministry. Thank you Nancy for your heart to serve in this area.

OUR SURVEY SAYS... During the Salad Supper, we asked ladies to complete a short survey on how they receive information regarding events at Emmaus. We had 102 ladies participate and the top 3 responses were:

- Verbal Announcement during Church
- Emmaus Light Newsletter
- Atrium Table Announcement Note Holders

A noteworthy response was the many ladies who shared they had been personally invited to the Salad Supper by a friend or relative... the power of a personal invitation cannot be under-emphasized!

Praying Around the World

"We must pray as if our missionaries are climbing down the mountain, held only by the single rope of prayer, and we are the only ones holding the rope. Lord, let it be said of us that we are faithful to pray as individuals and as a church for those we have sent out to do Your work."

- Praise the Lord for the **recent mission trip with Respond to Baja**. Praise the Lord for His direction for the ministry work done during the time the team was traveling and staying at the FFHM base. Please continue to pray for the team members in Alaska this month as they make themselves available to serve in various capacities with the mission in Naknek, Alaska. Please pray for **Annika Dyrud, Greg Johnson, Pam Necessian, and others on the team** who will be traveling to Africa to minister in various areas. Pray for God's hand of protection and wisdom to discern when, where, and how to reach out in his name.
- Please pray for our **missionaries in the Middle East**. Pray for God's hand of protection over them and their family and the Ministries that are seeking to reach out with the Gospel to those around them, during this difficult time of uncertainty in this area of the world. Mission of the Month

Andrew and Alexis Olson

Our missionary focus for the month of July is, Missionaries Andrew and Alexis Olson, and their family who work with the ministry of, "They Need the Bible". We are blessed to fellowship with the Olsons at Emmaus, as God uses them to share his word around the world. Here is a quick update on some of the things that are happening with this exciting ministry.

50 languages now have access to the gospel on YouTube through the ministry of Addie Allen. She has been making the gospel available on YouTube through beautiful art time-lapses. In addition to these time-lapses, she has also been producing language-learning phrasebooks for each of the micro-languages we've encountered. We look forward to our continued partnership with Addie and thank God for her special calling.

In 2025 we began a partnership with Lutheran Bible Translators, to expand our translation goals for a number of languages in Indonesia. In June, we concluded a 12-week Bible transition translation training course.

Please be praying. It is the first time that the Bible has been available in these languages. We know that this is a spiritual undertaking, yet we know that "the Battle Belongs to the Lord." Our work is growing and the need for staff has also grown with it. For a long time, we've wondered "When will be the right time to bring on additional teammates?"

That's been a matter of prayer, preparation, and discernment for about 3 years. In June our board voted to create two new part-time missionary roles. Similar to how our families Ministry runs, these will be support-based positions that depend on the support of the church and donors. Please pray for an outpouring of blessing upon these new positions.

Prayer Points:

- Please pray that God will give the Olsons great imagination as they continue to develop ways to bring the Gospel to those who need the Bible. Pray for God's renewed strength and vision for the ministry.
- Pray for the Olson family as they serve together. Pray for Andrew and Alexis as they raise their three daughters, that they will know God's peace as they lean on him for his wisdom.
- Praise the Lord for the new connections that have been made in scripture translation. Pray for many more open doors especially in the areas of remote Indonesia. in the coming days.

Operation Christmas Child

Since I have been volunteering with Operation Christmas Child, it has become a year-round blessing. Plan to join us on **November 16** for our church packing party. I have received several pillowcase dresses that we would love to give with underwear and socks. If you see any sales for those items, please let me know. We are still in need of paper, pencils, colored pencils, crayons, and toothbrushes.

Many have asked me how I make the jump ropes from T-shirts. I would love to show you on **Sunday, July 20 at 10am!** We will start at exactly 10am and it will take less than 15 minutes.

Emmaus Safety Team Update

Thank you for the donations over the years of medical equipment. Because we have received such a large amount of donations, we do not have the capacity to house them all, so we have gone through the items and have donated items to a Christian organization that will use these items to send all over the world.

If you have a piece of medical equipment you are interested in donating, please reach out to Kristin Dahl Wolff or the office before bringing it to church. If you are interested in using any of our equipment, please fill out a 'check out form' located in the office. We are grateful to have a space and equipment to help bless our members and loved ones.

Secretary Report: Approved by email

Treasurer’s Report:

Executive Committee Report: Aaron

- No report

Pastor Nick’s Report:

1. Vision Path Update

- a. Last fall, we kicked off our ministry year with a new sermon series called RENEWAL, a study on church growth and rejuvenation. You may recall that we spent 12 weeks exploring topics such as our Emmaus core beliefs and values, our mission and purpose as a congregation, cultivating cultural awareness, and maintaining strong spiritual vitality. We also discussed fostering leadership growth, renewing worship, and emphasizing its centrality to our purpose and practice. During our council meeting, we will discuss how this fits with our Vision and Partnering focuses for 2025–2026. [Welcoming and Engaging Visitors, Equipping the Church for Ministry, Reaching the Next Generation, and Evangelism and Discipleship]
- b. Questions: In what ways have we been effective in casting our vision to the congregation? How effective have we been at unifying the church around our Vision Path? Have we created a team environment rather than siloed activities? In what ways do we need to do a better job at casting vision? How has your area of ministry/liaison role been connected with our Vision Path focuses? How has Vision and Partnering helped you or aided in your role as a ministry liaison? How can church leadership in each separate role have one unified focus?
- c. Answers to Above Questions:
 - i. Presentations made and Annual and Semi-Annual meetings
 - ii. Publications on Vision Path goals created for congregation
 - iii. Consistent messaging on these goals
 - iv. Organic: the sharing of pieces of these goals with each other in all activities

2. Worship in the Park

- a. Thank you to all those who volunteered their time at Worship-In-The-Park. We had a beautiful day for Sunday service and fellowship. We are planning Worship-In-The-Park next year. Do you have any feedback or thoughts for the church staff? – Tech setup was more basic, easier, and worked very well.

3. Annual Meeting Preparation

- a. As we prepare for the Annual Congregational Meeting on June 18th, we will need to discuss our agenda and vote on our recommendations for the new budget for 2026 and council responsibilities for the annual meeting.

4. Church Building and Ministry Annual Scheduling Update

- a. Communication on scheduling is very important and looked at carefully
- b. It is very helpful for everyone to inform the staff of any meetings or events also.
