

How Do You See Yourself?

Romans 12:3 — “For by the grace given to me I say to everyone among you not to think of himself more highly than he ought to think, but to think with sober judgment, each according to the measure of faith that God has assigned.”

How do you see yourself? We are all very capable of exaggerating how we perceive our own opinions, gifts, and talents. We do it in the way we seek attention, whether good or bad. We do, at times, when we look in the mirror, face-to-face. We may not always like what we see, but we compare and contrast what we have versus what other people have. We do it in how we negatively perceive people's actions, believing we would never do those things ourselves. Or when we point a finger and blame others for the problems we create.

In Romans 12:3, the Apostle Paul instructs the church at Rome not to think more highly of themselves than they ought to, no matter their talents and gifts within the church. Once again, we have a passage of Scripture addressing the importance of our mindset. Directly before this verse, Paul talks about being transformed by the renewal of our minds. Through the righteousness of Christ freely given to those cleansed by His shed blood on the Cross of Calvary, the believer is transformed into the thinking of Jesus, rejecting the world's mindset.

So instead of inflating our self-view, we must think with sober judgement. Paul instructs us to have a mindset that aligns with the measure of faith that God has assigned to each one of us. What does this mean?

What comes to mind first is that our measure of faith and spiritual gifts is just that, a gift. We didn't earn it. God is generous and blesses us in accordance with His plan and purposes. We cannot take any credit for what we did not produce. To think with sober judgment in the context is to judge ourselves accordingly. The church exists to glorify God as we fulfill his plan on earth as it is in heaven. Everything we do must magnify Him and not ourselves.

Secondly, we have all been placed on this earth for something eternal and significant. Our gifts are given proportionately to fill and complete what God intended in the right time and place. The wrong measurements will prevent the building project from being completed or the product from being correct. Too much of something and you take away from other important ingredients. Too little and you risk the whole thing. The church at Rome must have had the same problem we tend to have today. We put too much emphasis on certain people, specific gifts, and the amounts given. Or we look at our gifts and proportions and deem them too little and insignificant to make a difference.

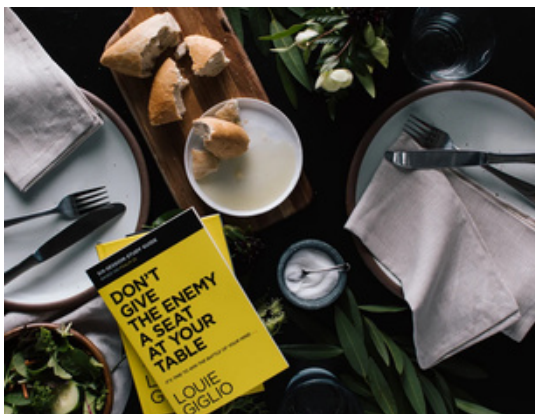

If we are going to grow as the collective body, we need to operate in our gifts. Maturity does not come from having gifts, nor ensures we will be spiritually mature. Spiritual maturity comes from a transformed heart and mind operating in the correct role and being receptive to God's Spirit at work. So, just as Paul says, "Let us use them," regardless of the amount and gift. And let us work together in unity for the sake of Jesus' name.

In Christ,
Pr. Nick Dyrud

Sunday Sanctuary Study

Join us in the sanctuary during Sunday school hour each week as we go through Louie Giglio's study: Don't Give The Enemy A Seat At Your Table. In this study, we will unpack Psalm 23 to offer insight into how to overcome the enemy's lies and find peace and spiritual security in any circumstance or situation. God has prepared a table for you. It's set with a banquet of peace, clarity, and purpose. But Satan is constantly looking for an invitation, seeking to fill your mind with distractions, fear, worry, insecurity, anxiety, temptation, doubt... It's an ongoing battle. But you can learn how to protect your mind from unhealthy thoughts and experience rest and nourishment at God's table.

Children and Youth Ministry

We have had a great start to our Fall Kickoff King's Kids programs, for both Sundays and Wednesdays. During our Sunday service, we honored our kids moving into preschool and those moving into first grade with new Bibles. **We handed out five 3-year-old Bibles and six 1st-grade Bibles.** The 1st graders are encouraged to make that Bible theirs. They are told to make notes in it, underline and highlight scripture, and to make sure to bring it with them each week.

On October 19th, it is **National Sunday School Teacher Appreciation Day**. Please help me in thanking our teachers for investing in God's kingdom!

Praying Around the World

"We must pray as if our missionaries are climbing down the mountain, held only by the single rope of prayer, and we are the only ones holding the rope. Lord, let it be said of us that we are faithful to pray as individuals and as a church for those we have sent out to do Your work."

-Praise the Lord for the safe return of Pastor Kevin, Ryan Petersen, and their team following their mission travels in September. Please pray the Lord will bless the connections made during their ministry time and that he would strengthen the believers they were able to work with and encourage during their time together.

- Praise the Lord for his hand of protection over our FLBC (Free Lutheran Bible College), ministry teams. Please pray for these students to be a loving conduit of God's saving grace as they minister to young and old during the upcoming weeks, whenever and wherever they are called to share.

- Please pray for the outreach efforts of Trinity First School, in the heart of the Phillips Neighborhood, in South Minneapolis. Praise the Lord for the staff he has led to this school and for the Gospel that is at the very heart of the teaching these students receive each day. Pray that their eyes will be opened to know His Truth.

"The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."

Mission of the Month

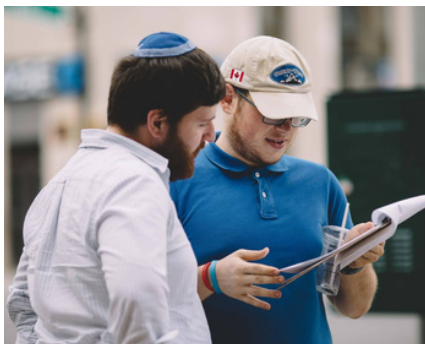

Chosen People

Chosen People Ministries will be our mission of focus throughout the month of October at Emmaus. We are excited that we have a local branch that we partner with in the Minneapolis area, as well as being involved in their worldwide outreach ministry to Jewish People.

The Jewish population is one of the most unreached in the world. Out of 15 million Jewish people around the world, less than 1% of them believe in Jesus. Every day, Chosen People Ministries strives to find new and effective ways to reach Jewish people around the world with the good news of the Jewish Messiah, Jesus.

In 1894, over 131 years ago, in Brooklyn, New York, Rabbi Leopold Cohn founded the mission to share the knowledge of Yeshua (Jesus) the Messiah with God's chosen people. He founded his work upon faith, in response to Romans 1:16, "For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek." The ministry's first Bible meeting was attended by 8 Jewish people. The Lord continued to bless this work, and in the course of his lifetime, Leopold Cohn led more than 1,000 people to the Lord.

Today, Chosen People Ministries serves over 20 countries, proclaiming the gospel among Jewish people around the world and training fellow believers to reach their Jewish friends, family, and neighbors. The ministry currently has over 130 missionaries. Chosen People Ministries exists to pray for, evangelize, disciple, and serve Jewish people and help fellow believers to do the same. The Emmaus family is blessed to join Chosen People Ministries, as we come alongside them prayerfully and financially.

Prayer Points:

- Praise the Lord for the work of Chosen People Ministries, both in the United States and around the world. Pray for the Lord's continued protection for the staff who face safety concerns for themselves and their families as they stand with the Jewish Nation of Israel.
- Please pray for continued clarity of direction for the ministry, in our ever-changing world. Pray for the right people at the right time at this point in the ministry.
- Praise the Lord for his continued provision for this ministry both locally and in their ministry throughout the world. Pray for our local branch located in St Louis Park, as they seek to reach Jewish people in our area and to minister God's loving grace to them.

Operation Christmas Child

It's getting closer! 'Tis the season to open up gospel opportunities and change lives for Jesus. I will be having a table in the atrium every Sunday in October. If your family would like boxes to pack on your own, please pick them up then. If you want them before then, just contact me. Boxes must be back to Emmaus no later than the packing party here on November 16th, so we can add them to cartons and send them on the first leg of their journey. Donations may be dropped off either at the table in the atrium or in the Church office (marked OCC).

We have been blessed with so many items for the packing party. We are doing amazingly well with paper/notebooks. **What we are still looking for are toothbrushes, pencils, colored pencils, sharpeners, and crayons. Also, we have a lot of pillowcase dresses and would like to send them with underwear and socks. We are looking for more WOW items (something special to put in the shoe box to excite the child).** If you don't care to pack but would still like to help with this ministry, consider donating so we can buy some of the things needed or towards shipping. Checks may be made out to Samaritans Purse, or you can donate online.

I saved the biggest need of all (VOLUNTEERS) for the end. Saturday, November 15th, starting at 9:30, we will be setting up for the packing party. We will stop at noon for lunch and hope some can stay after if we haven't finished by then. Sunday, November 16th, the packing party begins at 8, and we will probably pack til 1. I may need a few to come on Monday, the 17th, to finish and clean up from this amazing weekend. No one needs to sign up to come pack, but there are volunteers needed to keep things organized. 1. Fall 2025 Kick-Off Sunday review

Thank you to all of you who served at our Ministry Fair last Sunday. The unified church service and luncheon had a great turnout. We connected as a congregation, with new visitors, and with some in our neighborhood. This is our vision for Kick-off Sunday. We will review and discuss the event details for future planning at our council meeting. Comments: Wonderful fellowship with Emmaus and the surrounding community

2. New Sermon Fall 2025 Series: “Planted By Streams of Water”

Psalm 1:3 — He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers. Last Sunday, we began our new sermon series and Home Group study on spiritual formation and maturity called “Planted By Streams of Water”. We will be giving an update at our council meeting on Home Group Ministries and resources for the study.

3. New Adult Sunday Study: “Don’t Give The Enemy A Seat At Your Table”

Bestselling author and pastor Louie Giglio shares practical ways to overcome the Enemy’s lies and instead find peace and security in any challenging circumstance or situation. By drawing from Psalm 23 as a framework, he offers biblical insight on how to cancel the lies that will wreck your life, take empowering steps to live fully alive in Christ, stop the spiral of shame, temptation, and insecurity, restore peace and rest in your life, embrace the true purpose behind your journey through challenging circumstances and break free from the endless cycle of destructive thinking. Aaron Bogott will lead this six-week series in the church sanctuary on Sunday mornings from 9:45 to 10:30 a.m.

4. Emmaus Leadership Training Meetings, August 27th and September 3rd, review
